.....

Sir,

In continuation of this Department's letter No.F.4(11)-I.I./38, dated the 14th March 1938, on the subject noted above, I am directed to say that in accordance with the decision of the Secretary of State for India, the maximum passage allowance admissible to Government servants and non-officials who are granted passages between the United Kingdom and any port in India at Government expense and are allowed to make their own arrangements for such passages, shall, with effect from the 15th November 1940, be the net cost to Government of a passage in the class and grade of accomodation to which the passenger is entitled.

2. The rates of passage allowance communicated in this Department's letter No.F.4(8)-I.I./41 dated the 15th November 1941, are superseded with effect from the 15th September 1940.

I have the honour to be,
Sir,

New Delhi, the 16th October 1941.

From

K.R.P.Aiyangar, Esquire,
Under Secretary to the Government of India,

To

The High Commissioner for India,
London.

Subject:- Provision of sea passages in excess of the authorised charges.

Sir,

With reference to your letter No.G.270.16.7, dated the 7th July 1941, on the above subject, I am directed to say that, in the circumstances stated, the Governor-General in Council approves of the action taken and the course proposed in para 3 thereof in regard to the provision of sea passages for entitled persons in excess of the authorised rates during the present war emergency. It is however emphasised that when it is found to be impossible to secure a passage at the entitled rate every endeavour must be made to ensure that the excess cost is kept to the lowest possible figure.

I have the honour to be,

Sir,

Your most obedient servant,

Sd/-K.R.P.Aiyangar,

Under Secretary to the Government of India.

Copy of letter No.G.270.16.7 dated, the 7th July,1941, from the High Commissioner for India, (General Department), London, to the Secretary to the Government of India, Finance Department, Simla, India.

With reference to the secret telegram No.4425 dated 16th December 1940 from the Secretary of State to the Governor General regarding passages to India, I am directed to state that under the procedure outlined therein berths have been allotted by the High Commissioner to various categories of civilians including persons entitled-----

entitled to passages at Government expense, e.g. Assistant Foremen, Indian Ordnance Department, and appointees to other Departments in India. The cost of such passages has been fixed by the shipping co panies concerned in consultatic with the Ministry of war Transport, and the High Commissioner has had no control over the accomodation allotted to him or theprices charged for the berths. Normally an Assistant Foreman appointed to the Indian Ordnance Department would be granted a passage equivalent to P. & O. second class 'B' (cost £.66 at current rates); but accommodation of this grade has not been available for a considerable time and it has been necessary, in order to avoid delay, to accept whatever grade of passage was offered.

2. A statement is enclosed showing the names of certain entitled passengers for whom passages were arranged in the British India Steam Navigation Company's S.S."Madura" which sailed in January 1941. The cost of berths in this vessel ranged from £ 68 to £.104 and only a limited number of berths at the minimum rate were allotted to this office. The excess over the entitled rates was considerable, but no claim can be made against the shipping company under the new Confidential Agreement dated 2nd August 1940 with the P.&.O. and associated companies (Finance Department) reference No. F. 4R.I/41, dated the 13th March 1941). This case is typical of many others in which passages have been arranged for entitled persons at a cost exceeding the authorised amount. In the B.I.Ship "Malda" which recently sailed to Colombo the fares charged were £.92 and £ 99 and a representation was made to the Ministry of War Transport by the Secretary of State in regard to the applicability under present conditions of paragraph 9 of the Confidential Agreement and as to the high rate charged for berths in the vessel, and a copy of the Ministry's reply in enclosed for information together with a copy of India office letter dated the 20th June 1941 on the subject.

3. The High Commissioner accordingly trusts that, in view of the exceptional circumstances, the action taken by him in arranging passages for entitled persons at rates in excess of those authorised may be confirmed by the Government of India, and that so long as present conditions continue he may arrange passages at enhanced prices.

Copy of letter No.M.4020/1941, dated the 29th April 1941, from India Office, 4, Central Buildings, London, S.W.I., to the Director of Sea Transport, Ministry of Shipping, Barkely square House, Berkeley Square, S.W.I.

I am directed to forward for your observations, a copy of a letter which has beenreceived from the High Commissioner for India raising the question of the applicability in present circumstances of the provisions of paragraph 9 of the Memorandum of Arrangements with the P. & O, and Associated Companies, dated 31st August 1940. The corresponding provision in the Memorandum of the 4th July 1928 was paragraph 11 which was wider in scope its successor. It is presumed, however, that in view of the last sentence of paragraph 2 of your letter of the 27th February 1940, No.T.M.1981/39/S.T.A.I., the restriction of the application of this particular concession to 2nd class passengers only was unintentional.

It appears that in a number of cases individuals entitled to Government passages requisitioned by the High Commissioner for India have been allotted accommodation by the Compa... superior to their normal entitlement, for which additional charges have made. This action in the case of the P. & O. group of companies would seem to be contrary to the terms of the Memorandum of Arrangements, and I am to enquire whether it would be in order the High Commissioner for India to initiate a claim for refund the excess amounts so paid.

*Printed as an accompaniment to O.R.No.5472 dated 19th May 1941

Copy of letter No.T.M.1981/39/S.T.A.3., dated the 11th June 1941, from the Director of Sea Transport, Ministry of War.....

War Transport, Berkeley Square House, Berkeley Square, London, W.1. to the Under Secretary of State for India, Military Department, India Office, S.W.I.

With reference to your letter of the 29th April 1941, and (?) 22nd May 1941, regarding the applicability under present circumstances of he provisions of paragraph 9 of the Memorandum of Arrangement with the P.&.O. and Associated Companies dated 21st August 1940, I have to inform you that paragraph 9 of the Agreement clearly states that where the lower grade of 2nd class accomodation is not available the Companies (P.&.O. and B.I.) will allot available accomodation in the same class of a higher grade without additional charge.

The provision mentioned therefore only applies to 2nd class accomodation, and in a ship which has cabin-class accomodation only and in which it is desired to embark a passanger normally entitled to accomodation inferior to cabin class, the P.&.O. or Associated Companies are not bound to provide accomodation at a rate equivalent to the passangers normal entitlement, as it is considered that the passanger is having amenities which are superior to his actual entitlement.

In view of the present shortage of accommodation in passanger ships, it is not considered to be reasonable to ask the Shipping Companies to allot accomodation at the cheaper rate than that available in the particular ship concerned.

With regard to your letter regarding the fare to be charged for passage in the s.s."Malda", I have to inform you that the rates charged by the P.&.O. Company in respect of this particular sailing have been thoroughly investigated by this Ministry, andit is considered that the; are fair and reasonable. It is noted that the equivalent co st of P.&.O. 2nd class 'B' at present rates is approximately £86, but this rate is a particularly low rate,

when.....

when compared with the rates charged by other Steamship Companies proceeding via- South Africa, operating to ports not so far distant as India, but the whole question of charging rates more in keeping with present day expenditure is now receiving the consideration of this Ministry.

Copy of letter No. 6752/1941, dated the 20th June 1941, from India Office, 6, Central Buildings, Mathew Parker Street, Westminster, S.W.1., to the High Commissioner for India, General Department, India House.

With reference to your letters No.G.270.16.7., dated 12th April and 17th May 1941, respectively, regarding the applicability under present circumstances of the provisions of paragraph 9 of the Memorandum of Arrangements with the P.&.O. Associated Companies in and thefares to be charged for passages the s.s."Naldaw I am directed to forward for your information a copy of correspondence with the Director of Sea Transport.

This Department does not feel able to contest the views expressed by the Director of Sea Transport and in the Circumstances, it is presumed that you will seek from the Government of India any sanction necessary for the extra expenditure incurred.

Perhaps the work done by the Sol. to Govt. in L. D for which fees are charged to the public will come within the category mentioned at "A" p. 1 ante and so also fees charged by the R. L. A. for the opinions given to Local Bodies. At present in these instances the fees recovered are wholly credited to Govt.

Perhaps both these instances will haveto be reported to the F. D. for reviewas at "B" p. 1 ante for orders.

2. This is a reference from the P. & S. Dept. regarding an amendment of rule 7 of the Govt. Officers' Regional Language Examination Rules.

3. Under rule 7 of the said rules when an officer (other than an officer appointed to act as a Collector District Judge or District Superintendetn of Police) of more than 12 years' service, who is not over 40 years of age is transferred from one district to another with a different regional language, he has to pass that examination according to the colloquial test within 18 months from the date of his joining appointment in such district or division.

4. It would appear from papers that only the Collectors, District Judges and District Superintendents of Police were exempted from passing such examination, the main reason being that to make such officers to pass language examination while holding posts of superior responsibilities could only entail extra worry and work at a time when they could ill afford to spare time.

5. The P. W. D. has raised a point that if collectors, District Judges and District Superintendents of Police who have alot to do with a large majority of the public are exempted from rule 7, there is all the more reason why the executive engineers whose duties with largely extended divisions and increased works activity leave little time for them should also be exempted from the operation of rule 7 of the revised rules.

6. The P & S. D. has raised rules.question that if

it is decided to exempt Executive Engineers from rule 7 whether similar exemption should not also be given to officers in other departments governed by these rules when such officers attain posts of superior responsibility and therefore has referred these papers to L. D. with a request to state with reference to rule 7 of the Govt. Officers' Regional Language Examination Rules whether this department considers exemption necessary in the case of any officers under it and if so to adduce reasons for the same.

7. This Department has under its control the following officers namely:-

(i) The Secretary, Bombay Legislative Council

(ii) The Secretary, Bombay Legislative Assembly.

(iii) The Advocate General.

(iv) The Public Prosecutor for Bombay.

(v) The Solicitors to Government.

(vi) The Government Pleader, High court, Bombay.

(vii) All District Government Pleaders and Public Prosecutors and their Assistants and Sub Government Pleaders in the Province.

None of the Officers are governed by rule 7 of the Govt. Officers' Regional Language Examination Rules nor is any of them likely to be transferred from one district to another. As regards its own officers including (i) & (ii) above it may be stated that they belong to the I. C. S. and Provincial Service which services are controlled by the F. & S. D. and Home Department

8. The papers may therefore be passed on to H. D. with the remarks thatnone of the officers under the administrative control of L. D, are governed by rule 7 of the Govt.

Officers' Regional Language Examination Rules and this department has therefor no remarks to offer.

Subject:- Government Appointments.

Concessions in the matter of - to be given to persons entering the Provincial Services who have rendered services in connection with the prosecution of the present war

----------x----------

Sir,

I am directed to invite attention to paragraph 2 of Government Resolution Political and Services Department, No.4083/34-I, dated the 10th November 1941, in which it has been stated that Government will be prepared to grant suitable concessions in respect of pay, seniority and pension to candidates with war service who may be appointed to reserved posts in the Provincial Services. In order to ensure that persons who take up service in the Defence Forces in preference to civil employment are not placed at a disadvantage as compared with those who seek civil employment only, it is necessary to make it clear to the latter that candidates with approved war service when recruited after the war to reserved vacancies in Provincial Services will be assigned places in the cadres of the services with regard to their ages and periods of approved war service. This is necessary not only to protect war service candidates from loss of seniority as a result of taking up war service instead of entering the Provincial Services in the Ordinary way, but also from the point of view of the larger interests of the administration, in order to ensure the proper distribution according to age of recruits in the cadres of the Provincial Services, which whould have been secured had the reserved vacancies in those services been originally filled in the ordinary way as in normal times. I am accordingly to request that the Commission may take necessary steps to issue infuture a warning to this effect to intending candidates for appointments by selection to the different Provincial Services and posts for which recruitment is made by the Commission by including the warning in the notice giving full particulars of the vacancies in the services or posts advertised and also in the letters summoning candidates for interviews.

I have the honour to be,

Memorandum.

The undersigned presents compliments to the Secretary to Government LEGAL DEPARTMENT, and is directed to invite attention to paragraph 2 of Government Resolution, Political and Services Department, No. 4083/34-II, dated the 10th November 1941 in which it is stated that Government does not at present propose to reserve a fixed proportion of vacancies in the Subordinate and Inferior Services for candidates with approved war service. I has since been brought to the notice of Government that there are a great number of wounded Ex-Service men who, except where entirely incapacitated, are being re-employed by the Military Authorities themselves asInstructors and for other purposes. These Ex-Service men will be discharged more or less at once at the end of the war and will, therefore, present a serious problem. Government is, therefore, considering the feasibility of reserving vacancies for candidates with approved war service in the Subordinate and Inferior Services also. In the case of certain cadres in these Services it is realised that the number of applicants with war service will be negligible. It is not, therefor , intended that there should be a uniform reservation in these Services under all Departments as in the case of the Provincial Services. The LEGAL DEPARTMENT is accordingly requested to forward to this Department at an early date proposals for the reservation of Vacancies in the Subordinate and Inferior Services under its control in consultation with all Heads of Departments under it.

MEMORANDUM.

The undersigned presents compliments to the Chief Secretary to the Government of Bombay, Political and Servic Department, and with reference to that Department Memorandum No. 4083/34-D, dated the 17th November 1941, on the above subject, is directed to state that views of subordinate Officers under this Department are as under:-

Secretary, Bombay Legislative Assembly. There are no vacancies in the Bombay Legislative Assembly and the Bombay Legislative Council Offices at present in the upper and lower divisionsnor isthere any prospect of any vacancy occurring in these offices for at least 5 or 6 years to come in the ordinary course. Similarly there are no vacancies at present in the inferior service nor are any expected to occur in the near future There are, however, two permanent vacancies of English Reporters. But owing to the special qualifications required for these posts it does not apear that they can be reserved for ex-service men. There is no objection to reserving any other vacancy that may occur in the subordinate and inferior services in these officesexcept in the posts of Reporters for Ex-Servicemen provided they possess the requisite qualifications and are found suitable for the posts.

Government Pleader, High Court, Bombay. There is no vacancy in the office of the Government Pleader, High Court at present. There will be a vacancy of clerk in May and it is proposed to reserve it for an Ex-Serviceman.

2. As regards the Legal Department proper, there is no

objection to reserving any vacancy that may occur in future for Ex-Servicement provided they possess the requisite qualifications. It is expected that two permanent vacancies will occur in the lower division during the next year but there are three officiating candidates already working in this Department for more than two years whose claims will have to be considered.
